EDUCATIONAL SUPPORT OPPORTUNITIES

VAT will be applied as required

UNRESTRICTED EDUCATIONAL SUPPORT  (MINIMUM € 5 000)

Unrestricted support enables us to develop the Congress programme and to support participants to acquire the latest knowledge and data, as well as network with their peers.

Support can be in the form of a grant or sponsorship, depending on your requirements. Acknowledgement will be tailored according to the type and level of support.

MEETING BURSARY SUPPORT  (MINIMUM € 1 000)

At every Congress, the EACR provides a bursary programme to enable early career researchers from around the world to attend the Congress. Bursaries cover Congress registration, travel and accommodation. Your support will enable us to increase the number of bursaries and will be acknowledged in the Digital Proceedings Book, on the website, onsite and in communications with bursary winners.

Please contact rachel.warden@eacr.org to discuss.
SPEAKING OPPORTUNITIES

This is a unique opportunity available only to those booking exhibition space. It enables you to directly liaise with our participants to introduce them to your products and services, and showcase your latest developments. We will help you to boost participation at the session through our own promotional channels. The programme of all sponsored speaking opportunities is subject to approval by the EACR. The content of these sessions and opinions expressed by presenters are those of the sponsor/presenter and are not of the European Association for Cancer Research.

EXHIBITION

Why exhibit at EACR 2020?
The opportunity to exhibit is an integral part of the Congress and the exhibition area will be a major hub of activities. Exhibiting gives you an edge – the passing trade of potential and qualified customers that walk past your stand will be highly significant. We have designed the exhibition layout to ensure the highest level of exposure to delegates at EACR 2020.

The size of the Exhibition Hall will allow us to combine the exhibition with Congress supported catering services during coffee breaks and lunch, attracting delegates to the Exhibition Hall. A Welcome Reception with complimentary refreshments will be held on the evening of the first day in the Exhibition Hall.

- Sponsor’s corporate logo and acknowledgement displayed around the coffee stations during the breaks

Desserts € 7 000 (EXCL. VAT)
Similar to the coffee breaks, companies are able to sponsor dessert items at lunch time offered to all participants. They will be served in the Exhibition Hall from Wednesday until Friday. Several stations will be set up throughout the hall for delegates to help themselves to a dessert, providing a strong opportunity to communicate your corporate branding.

Exclusive Sponsor per day (available Wednesday, Thursday and Friday)
- Sponsor’s corporate logo and acknowledgement displayed around the dessert stations

Note that cash bar facilities will also be available throughout the exhibition hall during exhibition hours should participants wish to purchase additional food and drinks.

Welcome Reception € 10 000 (EXCL. VAT)
A popular activity during the EACR Congresses is the opening reception on the first day of the Congress, which is available for one sponsor to support. At the end of day one all delegates are invited to the reception, hosted in the Exhibition Hall.

Exclusive Sponsor - Wednesday 17 June 2020, 18:00 - 19:30
